2017-2018 ADJUSTMENT TO COST OF ATTENDANCE FOR MILEAGE

Your response to the following may result in an increase to your 2017-2018 Estimated Cost of Attendance (COA). An increase to your COA may increase your eligibility for loans and Federal Work-Study if you were not offered the maximum award for these aid types; it does not allow you to become eligible or make you more eligible for gift or grant aid.
