Financial Aid
Consortium Agreement Application

Student: Use this document to report enrollment for the same semester at a UW Colleges campus (list at bottom) and at another college/university, and you wish to receive your financial aid from UW Colleges for the combined enrollment at both institutions. UW Colleges will serve as the home institution/will award financial aid and the other institution is the visiting institution/will not award financial aid during the semester of joint enrollment.

- You must be earning your degree from UW Colleges (admitted as a degree-seeking student).
- You must be enrolled for some credits at a UW Colleges campus for the term of joint enrollment for UW Colleges to serve as the home institution and administer aid. An exception to the requirement of being enrolled at UW Colleges may be made only for a UW Colleges BAAS student taking courses only at a UW four-year, BAAS-partner institution or for study abroad through another institution.
- A student may not receive financial aid from more than one institution for the same period of attendance. If aid is received at two institutions for the same semester, you will be responsible for returning aid to one of the schools.
- It is the student’s responsibility to pay tuition and fees at the visiting institution by its published deadline.
- You will be required to submit an academic transcript from the visiting institution at the end of the term.
