

## 2016 Annual Fire Safety Report

The University of Wisconsin Colleges is committed to providing its students and staff with a safe environment in which to live, study and work. As part of this commitment, each Residence Hall undertakes a stringent annual review of its fire safety program including policies and procedures for conducting fire and evacuation drills, the inventory and maintenance of fire detection and suppression systems, and in-service training for students and staff. Each Residence Hall conducts regular fire and evacuation drills pursuant to federal, state and local statutes. The purpose of conducting fire drills is to familiarize students and staff with the closest evacuation points of the buildings they are in at the time a fire alarm sounds, and to ensure the orderly and complete evacuation of the building in the event of an actual emergency and/or the activation of a fire alarm. Contact the Campus Administrator to view the fire log.

With the University of Wisconsin Colleges, the following campuses have student housing:

- UW Baraboo/Sauk County
- UW Barron County
- UW Fox Valley
- UW Marathon County
- UW Marinette
- UW Marshfield/Wood County
- UW Richland

### Fire Drills

Campus	Description of Drill
UW Baraboo/Sauk County	The Villas at Baraboo conduct two fire drills each year, one per semester
UW Barron County	conduct two fire drills each year, one per semester
UW Fox Valley	conduct one fire drills each year
UW Marathon County	conduct two fire drills each year, one per semester
UW Marinette	UW-Marinette (in conjunction with the building owner) conducts two supervised fire drills each year, one per semester.
UW Marshfield/Wood County	conduct one fire drill each year, one per semester
UW Richland	conduct two fire drills each year, one per semester

## Fire Protection Systems

Campus	Description of System
UW Baraboo/Sauk County	The Villas at Baraboo does have a sprinkler system. Fire extinguishers are strategically placed throughout the facility. Training is provided on the use of the extinguishers each year. The fire alarm system is up-to-date and tested quarterly. The local fire department also conducts periodic and regular safety checks. Residents agree to abide by all state and federal laws, and all university and The Villas at Baraboo rules and regulations and the UW-Baraboo Sauk County Student Handbook.
UW Barron County	Glenwood Commons is a smoke free facility. Smoke detector alarms and fire extinguishers have been installed as required by law. Residents agree to abide by all state and federal laws and the Glenwood Commons Handbook for Conduct and House Rules.
UW Fox Valley	The Fox Village does have a sprinkler system. Fire extinguishers are strategically placed throughout the facility. Training is offered to staff during the testing by the fire department. The fire alarm system is up-to-date and tested annually each March. The local fire department also conducts periodic and regular safety checks. Residents agree to abide by all state, federal laws as well as all university and Fox Village rules and regulations.
UW Marathon County	Marathon Hall does not have a sprinkler system. Fire extinguishers are strategically placed throughout the facility. Training is provided on the use of the extinguishers each year. The fire alarm system is up-to-date and tested quarterly. The local fire department also conducts periodic and regular safety checks. Residents agree to abide by all state and federal laws, and all university and Marathon Hall Rules and regulations as outlined in UW-Marathon County publications and the Marathon Hall Handbook. Specific fire rules and regulations are detailed in the Marathon Hall Handbook, which is posted online at: <a href="http://www.marathon.uwc.edu/studentlife/reshall/infoforresidents/policies/">http://www.marathon.uwc.edu/studentlife/reshall/infoforresidents/policies/</a> .
UW Marinette	UW-Marinette Student Apartment Housing does not have a sprinkler system. Fire extinguishers are strategically placed throughout the facility. Training is provided on the use of the extinguishers each year. The fire alarm system is up-to-date and tested quarterly. The local fire department also conducts periodic and regular safety checks. Residents agree to abide by all state and federal laws, and all university and rules and regulations are outlined in the UW-Marinette Student Housing Rights & Responsibilities Handbook.
UW Marshfield/Wood County	Bluffstone, LLC is a private, for profit business providing housing to students at UW-Marshfield/Wood County. This building is equipped with smoke detectors and fire extinguishers in every apartment and the common areas. There is a full sprinkler system in the building. Residents agree to follow all rules in the handbook.
UW Richland	Meyers Hall was built in 1994. This building is equipped with smoke detectors and fire extinguishers in every apartment. This building was retro-fitted with a sprinkler system in 1999 when Deans Hall was constructed. Deans Hall and

	<p>Meyer Hall adjoin and are connected to the same sprinkler system. Deans Hall was built in 1999. This building is equipped with smoke detectors in every sleeping room and common area. There are two wings and two stories to this building. Each wing has a kitchen. All kitchens and other common areas are equipped with fire extinguishers. Deans Hall has a wet/dry sprinkler system. The sprinklers are heat activated. This system is inspected quarterly by Dave Jones Plumbing. The fire panel is inspected annually by SimplexGrinnell. All fire extinguishers are tested annually by Kickapoo Fire, and all Campus View staff members have been trained to use them. Students in Deans Hall are not allowed to have open flames, halogen lamps, incense, microwaves, George Foreman grills or exposed coil cooking units in their rooms. An oven, microwave and toaster are available in each kitchen. Foreman grills may be used in the wing kitchens. Students in Symons and Meyer Halls are provided with an oven but bring their own microwave, toaster, and Foreman grill, if desired. Open flames, incense and halogen lamps are not permitted.</p>
--	---

### Evacuation Procedures

All persons must evacuate the residence hall building when the fire alarm sounds. Please stay out of the way of emergency officials. Do not attempt to re-enter the building until the residence life staff or the fire department have given clearance to return to the building.

### 2015 Fire Log

In compliance with federal law, University of Wisconsin Colleges campuses with student housing maintain a daily fire log listing all student housing fires, including the nature of the fire, date, time and general location. Please report any fires to residence hall staff.

Campus	Name of Facility	Street Address	Number of Fires
UW Baraboo/Sauk County	The Villas at Barabo	1020 Connie Road, Baraboo, WI 53913	0
UW Barron County	Glenwood Commons	320 W. South Street, Rice Lake, WI 54868	0
UW Fox Valley	Fox Village	1284 Midway Road, Menasha, WI 54952	0
UW Marathon County	Marathon Hall	518 South 7th Avenue, Wausau WI 54401	0
UW Marinette	North Aire Apartments	1260 University Drive, Marinette, WI	0
	North Aire Apartments 2	1265 University Drive, Marinette, WI	0
UW Marshfield/Wood County	The Marauder Villas	2313 W. Fifth Street, Marshfield, WI 54449	0
UW Richland	Campus View Housing, Symons Hall	1275 Hwy 14 W, Richland Center WI	0
	Campus View Housing, Meyers Hall and Deans Hall	1279 Hwy 14 W, Richland Center WI	0
