Support services are available for qualified students with approved Individualized Accommodation Plans in order to assist them with accessing the UW Colleges facilities, programs and services.

Examples of available services:

- Notetakers
- Extended time for exams and quizzes
- Audio texts
- Braille transcription of course materials
- Sign language interpreters
- Recorded lecture
- Advocacy and liaison with faculty and staff
- Separate testing room
- Adaptive software and equipment used on campus
- Accessible campus furniture
APPLICATION PROCESS

1. Obtain a packet of information and application for services through the Solutions Center or Campus Contact for Student Accessibility Services.

2. Apply at least 4-6 weeks in advance of the semester in order to be sure that services will be in place at the start of the semester.

3. Submit the completed application along with supporting documentation that is prepared by an appropriate professional, and in general is less than three years old, to the Campus Contact for Student Accessibility Services. Please note: Students are responsible for submitting appropriate documentation to support the need for any requested services.

4. The Campus Contact for Student Accessibility Services will submit the documentation and application to the Director of Student Accessibility Services in Madison, who will make the eligibility determination for support services. You will be contacted if there is a need for additional information in order to complete the application process. Upon being determined eligible for services, an Individualized Accommodation Plan is written indicating which services are recommended. You will be notified in writing once this process has been completed.

QUESTIONS

If you have additional questions, please contact the UW Colleges Director of Student Accessibility Services:
