Instructions for Submitting the Financial Verification Form

If you need an F-1 student visa to study in the United States, the UW-Colleges is required by federal regulations to verify that you have sufficient funds on deposit for your tuition, fees, and living expenses. In order to demonstrate that you will be able to pay the costs of living in the U.S. and attending college, you will need to complete this Financial Verification Form and send it with your bank letter(s) to us. You must show sufficient funds on deposit for at least one year of study before we will be able to provide you with the documents necessary for you to apply for your visa.

The financial documents you submit must:

• indicate that an account or a combination of accounts has sufficient funds for at least one year of study ($22,850 U.S.)
• be original letters with original ink signatures and stamps (photocopies and scanned or faxed copies are acceptable but you will need you to take the original documents to your visa appointment later after your I-20 is issued)
• be written in English or be accompanied by an official English translation
• indicate unit of currency
• include the legal names of each of your sponsors
• include your name exactly as it appears on your passport
• be signed by you and by each of your sponsors
• be dated within one year of your initial enrollment in the UW–Colleges

Submit all required financial documentation to:
